## BRENDAN RODGERS' VIEW

---

"I'm delighted to be able to present at this year's International Coaches' Convention. Having begun my coaching career in youth football it's something I'm extremely passionate about.

The event will give attendees great insight into how our coaches operate and foster an environment for our young players to thrive.

It gives us the opportunity to showcase the incredible amount of hard work that goes

on behind the scenes here at Celtic Football Club and I look forward to welcoming coaches from all over the world to Lennoxtown this March for what will be a fantastic three days of coach education."

Manager, Celtic FC

## CHRIS MCCART'S VIEW

---

"Once again it is with great pleasure that I look forward to welcoming coaches from all around the world to our International Coaches' Convention. As with the last six years, coaches with a real passion for player and personal development will find this an extremely beneficial experience, due to the access given in terms of practical and theoretical input.

We will once again highlight the world-class development programmes which are

delivered within Celtic FC's Youth Academy and give you an insight as to how we monitor the development of our young players.

We have a fantastic manager in Brendan Rodgers and his first-team backroom staff who provide an excellent learning environment for all who work within the Academy. We look forward to welcoming you to our Academy and trust that you will find your time at Celtic Soccer Academy's International Coaches' Convention a very enlightening few days. We are 'an Academy like no other!'"
