He is an experienced journalist and writer and a director of several private companies, including Harris Tweed Hebrides Limited and Havana Energy Limited. He is currently Chairman of Man Group plc, Deputy Chairman of Dixons Carphone plc, a non executive director of Belmond Limited and a member of the House of Lords.

RESOLUTIONS 8 AND 9: Appointment and remuneration of auditors

The Company is required to appoint auditors at each general meeting at which its annual accounts and reports are presented to shareholders. The auditors hold office until the end of the next such general meeting. The auditors are responsible for examining the Company's annual accounts in accordance with statutory requirements.

The accounts for the year to 30 June 2016 have been audited by BDO LLP. Their report to the members of the Company is included within the 2016 Annual Report.

Each year the Audit Committee considers the performance of the auditors, including factors such as objectivity, independence, quality of audit work, quality of service and value for money. The Board, taking account of the recommendations of the Audit Committee, is satisfied that the performance of BDO LLP continues to meet the necessary standards. Accordingly this resolution proposes the appointment of BDO LLP as auditors and follows normal practice in giving authority to the Board to determine their fees.

RESOLUTION 10: Authority to allot shares

Generally, the directors may only allot shares in the Company (or grant rights to subscribe for, or to convert any security into, shares in the Company) if they have been authorised to do so by shareholders in general meeting. This Resolution, if passed, will authorise the directors to allot shares in the Company (and to grant such rights) up to an aggregate nominal amount of £2,230,471, which represents approximately 16% of the nominal value of the issued ordinary share capital of the Company (including the convertible preferred ordinary shares) as at 28 September 2016 (being the last practicable date before the publication of this document). This falls well within guidelines issued by the ABI, which suggest a general limit of up to one third of the nominal value of the issued ordinary share capital.

If given, this authority will expire on the earlier of 16 February 2018 (being the date 15 months after the date of this annual general meeting) and the conclusion of the next annual general meeting. The directors have no present intention to exercise the authority sought under Resolution 10 other than for the purposes of the Company's scrip dividend scheme, and honouring share options (if any), if exercised.

RESOLUTION 11: Disapplication of pre-emption rights

Generally, if the directors wish to allot new shares or other equity securities (within the meaning of section 560 of the Companies Act 2006) for cash, then under the Companies Act 2006 they must first offer such shares or securities to ordinary shareholders in proportion to their existing holdings. These statutory pre-emption rights may be disapplied by shareholders.

Resolution 11, which will be proposed as a special resolution, renews a similar power given at last year's annual general meeting and, if passed, will enable the directors to allot equity securities for cash up to an aggregate nominal value of £2,230,471 without having to comply with statutory pre-emption rights. However this power is limited so that it applies only for allotments:

- (a) in connection with a rights issue, open offer or other pre-emptive offer to ordinary shareholders and to holders of other equity securities (if required by the rights of those securities or the directors otherwise consider necessary), but (in accordance with normal practice) subject to such exclusions or other arrangements, such as for fractional entitlements and overseas shareholders, as the directors consider necessary;
- (b) in place of a cash dividend pursuant to any authority conferred upon the directors in accordance with and pursuant to article 40.8 of the Company's articles of association (the Company's scrip dividend scheme); and
- (c) in any other case, up to an aggregate nominal amount of £697,023 (which represents approximately five percent of the nominal value of the issued ordinary share capital of the Company (including the convertible preferred ordinary shares)) as at 28 September 2016, being the last practicable date before the publication of this document.

If given, this power will expire on the earlier of the conclusion of the Company's next annual general meeting and 16 February 2018. It is the directors' intention to renew this power each year in order that the Company has some flexibility to issue shares if considered appropriate and in the Company's best interests to do so, although it has not been used in recent years other than for implementation of the Company's scrip dividend

scheme. Other than for the Company's scrip dividend scheme, and to honour the exercise of share options (if any), the directors have no present intention of exercising the authority sought under Resolution 11.

RECOMMENDATIONS ON RESOLUTIONS 1-11 (INCLUSIVE)

The directors believe that the proposals outlined in Resolutions 1 to 11 (inclusive) are in the best interests of the Company and its shareholders. The directors intend to vote in favour of each of those resolutions, and recommend shareholders to do likewise.

RESOLUTION 12: Supporters' Forum

Resolution 12 has been requisitioned by certain members under the provisions of Section 338 of the Companies Act 2006. The resolution is not proposed by directors, but it is recommended by the directors.

The following statement is circulated on behalf of those members in accordance with Section 314 of the Companies Act 2006:-

“Consultation between Celtic and its supporters is carried out in various ways and at different times. There is a desire for greater engagement between Celtic and Celtic supporters.

The establishment of a Celtic Supporters' Forum with clear aims, objectives and framework will allow consultation on matters of importance regarding the Company at relevant times. It is felt that this can only be beneficial to both Club and supporters.

To that end the Forum will meet at least three times per season at those times best suited to discuss and/or review important actions and events affecting the club and the support. A provisional timetable for the three Forum meetings would be:

Last two weeks in October: First two weeks in February: First two weeks in April.

This timetable will allow the key issues and events usually occurring in a season to be discussed in a way which maximises the opportunity for consultation as appropriate. Once fixed, meetings will only be changed by the Company in exceptional circumstances, such circumstances to be disclosed by the Company where possible. Further meetings of the Forum may be held, where appropriate and agreed.

The Company and the Celtic support will be represented at the Forum. Each of the recognised Celtic supporters' organisations shall have two representatives to the Forum and representatives of a cross section of the Celtic support will also be invited to attend by the Company from time to time to participate in the consultative process.

The Company will nominate an appropriate number of representatives of sufficient seniority to ensure that the business of the Forum can be dealt with authoritatively and expeditiously.

The Company will nominate an individual to facilitate discussion at the Forum and a Secretary to the Forum. The Company will be responsible for convening the Forum and ensuring that minutes are taken and distributed. At the first meeting of the Forum the Company will consult on principles for the effective operation of the Forum.

A report of the business of the Supporters' Forum will be presented following the formal business of the Celtic PLC AGM.”

Board Response and recommendation

The Board welcomes the proposal to establish a Supporters' Forum on the basis set out in the resolution and the supporting statement. The directors believe that the proposal outlined in the resolution is in the best interests of the Company and its shareholders. The directors intend to vote in favour of this resolution, and recommend shareholders to do likewise.
